

# PENTICTON RACING CANOE CLUB

Issue 1, March 2019

## PRCC VISION

The pursuit of excellence in canoeing and other paddle sports through introductory and advanced instruction, technical and physical training and competition with an overall commitment to accessibility to the sport for persons of all ages and abilities.

## 2019 PADDLE SEASON STARTS MARCH 31, 2019

Sunday March 31, 2019, 9:00 am will kick off the paddle season. We will need lots of members to help get the boat house “unpacked” from the winter season. As most of you know the boat house had to have posts and a beam installed to prepare the boathouse for the winter snow season. Well it is time to unpack. Dragon boaters and PRCC members will need to work together to remove the boats and free up the parking spots for the paddle season.

Once the canoes are moved, we will need to rig at least one more OC 6 so people can start paddling. Lots of hands will make rigging the boat easy.

See email dated March 22, 2019 from Don Mulhall for more details.

## DUEL IN THE DESERT

May 11 and 12, 2019

**We are busy planning and will need some volunteers to help make this event happen. We will be looking for volunteers to help with duties including: timing, prizes, registration desk, washing dishes, safety boat, and more. Everyone is welcome to the Duel Planning meeting on Wednesday March 27 at 7 PM at 860Argyle Street. Please contact Tina or Penny at [exec@pentictonoutrigger.com](mailto:exec@pentictonoutrigger.com)**

### Are you interested in racing in Duel?

It would be great to see all three of our canoes in the race with PRCC members. Other clubs will be asking if they can borrow a canoe for the race. PRCC paddlers should start thinking about racing now. May is coming fast.
